LB 380, 514

two minutes, I will be very brief. Other states, Oregon and Washington have already instituted a similar program to this. It is working quite well in those states. They are not subsidizing their garbage in those states. They are making money on it. Maryland is in the process of instituting a similar program. Now we have only had thirteen minutes so far to work on this as a full body and we haven't been able to get into the real guts of the program, but believe me, when private business is involved in this, they are going to make sure that they are going to get their money's worth. They are training the employees that are sorting the paper. They are going to make sure that the program is running efficiently. So if you have some fears about government doing it, remember, private business is the one who is making the bid on this and they are involved in this. I have got one minute left. I would ask that we advance this bill, and if there are further amendments we take them on Select File. I'd move the advancement of the bill to E & R.

SPEAKER MARVEL: The motion is the advancement of LB 380 to E & R for review. All those in favor vote aye, opposed no. Have you all voted? Have you all voted? Have you all voted? Have you all voted? Record.

CLERK: 25 ayes, 2 nays, Mr. President, on the motion to advance.

SPEAKER MARVEL: Motion is carried and the bill is advanced. Senator Hefner, we are ready for LB 514. Mr. Clerk.

CLERK: Mr. President, LB 514. Title read. The bill was read on January 17. It was referred to the Miscellaneous Subjects Committee. The bill was advanced to General File. There are committee amendments pending by the Miscellaneous Subjects Committee, Mr. President.

SPEAKER MARVEL: This bill goes under II. Originally I think there were two dissenting votes. They have been withdrawn. Who takes the committee amendments? Senator Newell, do you have the committee amendments to LB 514? Senator Newell, are you ready for the committee amendments to LB 514?

SENATOR NEWELL: Yes, Mr. President. LB 514 is a bill that was introduced by Senator Hefner. The committee amendments, Senator Hefner in drafting the bill asked for more than he really wanted and what he did was came back in and requested some changes. The changes basically do this. Originally,
